

REMARKS

Response to Advisory Action

- 5 As the previous amendments were not entered by the Examiner as they did not place the claims in condition for immediate allowance, the applicant has again entered the amendment to cancel claims 1-16 and has retained claim 17 in its previous, allowable form.

10 **Paragraph 15 of the Previous Office Action**

According to the Examiner's response in the Final Office Action mailed on March 27th, 2007, claim 17 was found to be in condition for allowance. Claim 17 has been retained in that form and the applicant respectfully requests that the Examiner now issue a notice of allowance for claim 17.

CONCLUSION

Respectfully submitted,
